2. Exercise of one's own rights

Interested parties may request the exercise of the following rights:

- a) To know if the right to the criterion of personal data and the processing operations carried out with them is being exercised;
- b) Right to rectify inaccurate personal data;
- c) Right to delete personal data, if this is possible;
- d) Right to object to the processing of personal data, especially regarding the use of the image on the internet. The exercise of the right of opposition supposes the deletion of your data, unless EHI EKE has significant legitimacy or requires them to formulate, exercise or defend claims.
- e) Right to request the limitation of the processing of personal data, being able to retain the data for the exercise or defense of claims when the accuracy, legality or need for the processing of the data is doubtful.
- f) Right to the portability of the data, provided that there is a contractual relationship or authorization in the legal base that enables it to be processed.
- g) Right to revoke the authorization granted to EHI EKE.

On the other hand, we inform you that any person has the right to file a complaint with the Spanish Agency for Data Protection when he considers that a case of infringement of the legislation on data protection in matters of personal data processing has been committed.
